We are pleased to invite you to take part in the **Landscape Metropolis** symposium and celebrate together the inauguration of the first issue of the online journal **SPOOL** (spool.tudelft.nl). Six international authors will present their findings and several practitioners from the Dutch metropolitan areas will discuss their experiences of green space planning, design and management.

The symposium addresses several current challenges in metropolitan areas:

- Planning Strategies for Metropolitan Areas;
- Metropolitan Landscape Typologies, Characterization and Assessment;
- Creating Places in Intermediate Metropolitan Spaces;
- Metropolitan Recreation and Leisure in Spatial Policy and Planning;
- Forming the Metropolitan Park;

Detailed programme can be found [here](#)

Conference chair: Prof Dirk Sijmons

Organisation: Alexandra Tisma, René van der Velde, Saskia de Wit
(Research group Urban Landscape Architecture)

For any questions feel free to contact a.tisma-1@tudelft.nl
or L.H.I.deVos@tudelft.nl

The costs of the symposium are
€75 for the whole programme, or
€50 for half a day.
